Setting Google Scholar to search Montante Family Library Holdings

1. On the left hand side of the screen, click on the Menu button

   Google Scholar

2. Click on Settings, then Library Links

3. Next type in D'Youville College in the Library Links search box and click the magnifying glass.

4. After it has found D'Youville College Library check the boxed labeled
   - D'Youville College Library - Full Text
   - and D'Youville College - ProQuest Full Text
   - then select save preferences in the lower right corner.

5. Now Google Scholar will automatically search the listings of our library's resources. Links will appear for full text availability when you search an article's title.
